

Communication

Date 29 September 2026

Team ID _____

Project Name FitBuddy – AI Fitness Plan Generator using Gemini Models

Maximum Marks 1 Mark

Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were managed.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily	Team discussion / meeting	All team members	Coordinate demonstration tasks and share updates
2	Progress Update	Weekly	Team discussion / update	All team members	Review FitBuddy development and demonstrate progress
3	Issue / Bug Discussion	As Needed	Team discussion	Relevant team members	Discuss issues encountered during development
4	Stakeholder Review	Bi-Weekly	Project review	Team and stakeholders	Review project status, feedback, and requirements
5	Final Demo Rehearsal	Once	Team rehearsal	All presenters	Practice the complete FitBuddy demonstration flow

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Coordinating different demonstration sections among team members	Assigned each member a specific demonstration section and confirmed responsibilities
2	Keeping project progress and issues aligned across the team	Used regular progress updates and discussed issues as needed
3	Ensuring all members are prepared for the final demonstration	Conducted final demo rehearsal covering the complete flow and individual roles

Note: The communication activities and resolutions are prepared to match the provided Communication template and FitBuddy demonstration context. Actual team channels, participants, and issues should be confirmed by the team.
